STATEMENT of CONSISTENCY and REASONABLENESS  
for the  
ADOPTION of the TOWN of GRANITE QUARRY DEVELOPMENT ORDINANCE  
AMENDMENT

**WHEREAS**, the Granite Quarry Town Board of Aldermen adopted the 2000 Comprehensive Land Use Plan Update on January 6, 2020 hereafter referred to as the “Plan”; and

**WHEREAS**, the Town Board of Aldermen finds it necessary to modify the unified development ordinance to maintain consistency with the Plan; and

**WHEREAS**, prior to adopting or rejecting any zoning ordinance or amendment thereto, the Town Board of Aldermen must, in accordance with G.S. 160D-605, adopt a statement describing whether its action is consistent with an adopted comprehensive plan and explain why the Town Board of Aldermen considers the action taken to be reasonable and in the public interest.

**THEREFORE**, the Town Board of Aldermen hereby finds the adoption of the map amendment to the Unified Development Ordinance is consistent with the Plan in that standards, specifications and policies set forth in the new Granite Quarry Unified Development Ordinance (UDO) will support the expansion of the Town of Granite Quarry economy, preserve the character of the Town through practical standards for land use and development, and support the protection of natural resources as required by both Federal and State of North Carolina statutes. The map amendment is deemed reasonable in the way it will facilitate carrying out the goals of the Plan through each of the following:

1. Establish environmentally responsible yet business oriented common-sense principles aimed to protect both the local environment and property rights,
2. Minimize negative impacts on the natural and fiscal resources of Granite Quarry,
3. Minimize negative impacts on local property tax and utility rate payers,
4. Welcome those future residents and businesses seeking to contribute to the success of the Town’s efforts to establish a resilient sustainable and stable local economy,
5. Reinforce the tax base,
6. Expand opportunities for local business success, and
7. Promote the health, safety and welfare of the citizens, businesses, and property owners of Granite Quarry.

ADOPTION of the TOWN of GRANITE QUARRY DEVELOPMENT ORDINANCE  
AMENDMENT

**WHEREAS**, the Granite Quarry Town Board of Aldermen adopted the 2000 Comprehensive Land Use Plan Update on January 6, 2020 hereafter referred to as the “Plan”; and

**WHEREAS**, the Town Board of Aldermen finds it necessary to modify the unified development ordinance to maintain consistency with the Plan; and

**WHEREAS**, prior to adopting or rejecting any zoning ordinance or amendment thereto, the Town Board of Aldermen must, in accordance with G.S. 160D-605, adopt a statement describing whether its action is consistent with an adopted comprehensive plan and explain why the Town Board of Aldermen considers the action taken to be reasonable and in the public interest.

**THEREFORE**, the Town Board of Aldermen hereby finds the adoption of the map amendment to the Unified Development Ordinance is not consistent with the Plan in that standards, specifications and policies set forth in the new Granite Quarry Unified Development Ordinance (UDO) will support the expansion of the Town of Granite Quarry economy, preserve the character of the Town through practical standards for land use and development, and support the protection of natural resources as required by both Federal and State of North Carolina statutes. The map amendment is **not** deemed reasonable in the way it will facilitate carrying out the goals of the Plan through each of the following:

1. Establish environmentally responsible yet business oriented common-sense principles aimed to protect both the local environment and property rights,
2. Minimize negative impacts on the natural and fiscal resources of Granite Quarry,
3. Minimize negative impacts on local property tax and utility rate payers,
4. Welcome those future residents and businesses seeking to contribute to the success of the Town’s efforts to establish a resilient sustainable and stable local economy,
5. Reinforce the tax base,
6. Expand opportunities for local business success, and
7. Promote the health, safety and welfare of the citizens, businesses, and property owners of Granite Quarry.

# Memo

Date: June 23, 2022

To: Larry Smith, Town Manager

From: Bill Bailey, CZO, Interim Town Planner

**Re: Review of Subdivisions and Site Plans**

**Recommendation:** Based on the information provided below, revise text to remove the planning board from the process.

## **Current Conditions:**

Current ordinance requirements require major subdivision preliminary plats to be reviewed first by staff then by the planning board:

### **11.7.5 Major Subdivision Defined.**

B. Major Subdivisions follow the Planning Board Approval process. Following the Sketch Plan review by the Administrator, the applicant shall submit a Preliminary Plat. The Preliminary Plat shall be reviewed by Planning Staff and the TRC for completeness, compliance with this Ordinance, and soundness of design. The Preliminary Plat shall then be reviewed by the Planning Board following a public hearing. Following Planning Board approval, Engineering Drawings may be submitted for review in accordance with [Section 12.4](#). Final Plats may be approved after Engineering Drawing approval. Final Plats shall substantially match the Preliminary Plat and Engineering Drawings.

The general statutes allow for our current process and allow other options:

### **160D-803. Review process, filing, and recording of subdivision plats.**

(c) The subdivision regulation may provide that final decisions on preliminary plats and final plats are to be made by any of the following:

- (1) The governing board.
- (2) The governing board on recommendation of a designated body.
- (3) A designated planning board, technical review committee of local government staff members, or other designated body or staff person.

If the final decision on a subdivision plat is administrative, the decision may be assigned to a staff person or committee comprised entirely of staff persons, and notice of the decision shall be as provided by G.S. 160D-403(b). If the final decision on a subdivision plat is quasi-judicial, the decision shall be assigned to the governing board, the planning board, the board of adjustment, or other board appointed pursuant to this Chapter, and the procedures set forth in G.S. 160D-406 shall apply.

## **Analysis:**

The current system creates redundancies, adding the planning board review, which may be unnecessary. While the statutes allow this, it adds time and potential uncertainty for an applicant. NCGS 160D-803(a) specifies that all subdivision decisions must follow standards set forth in the ordinance. This means staff AND the planning board are reviewing based only on the codified standards. Therefore, the same review is being done twice.

**AN ORDINANCE AMENDING TEXT OF THE TOWN OF GRANITE QUARRY'S  
UNIFIED DEVELOPMENT ORDINANCE**

B.
