3. Discussion

Food Trucks

Planning, Zoning, and Subdivision Administrator Richard Flowe shared that the Board of Aldermen directed the Planning Board to review the food truck ordinance. The Board of Aldermen's discussion included concerns over the term "calendar year" and operators consolidating frequencies. The Planning Board discussed the pros and cons of a calendar year period versus a rolling twelve-month period and whether there should be a physical distance limitation on locations allowed by permit. It was clarified that 104 occurrences would be allowed per location and that a permit would be required for each separate location. The Board discussed and dismissed the idea that a limit would be placed on the number of days per week that a food truck would be allowed to set up due to restrictions on seasonal vendors.

After discussion Mr. Flowe summarized the amendments to Article 15 would be to wording in number five to resolve a conflict, to add wording to require the food truck to post the permit/required paperwork in a visible location, and to update the time of the permit to be measured from the date of issuance. Mr. Flowe will make the amendments and bring back to the Board for review.

New Business

4. Discussion

Chairman Hudson stated concern over holding the April meeting on Easter Monday and suggested the meeting be moved to Tuesday, April 2. There was Board consensus to move the meeting date. Clerk Smith will update the amended meeting schedule and post the revised version.
